The City of Sammamish is updating the regulations governing development in and near environmentally critical areas (wetlands, streams, steep slopes, wildlife habitat areas, critical aquifer areas, etc). Please come and share your thoughts, experience and perspective with the Planning Commission on March 1st at 6:30PM.

Upcoming Meetings:
- March 1
- March 15
- April 5
- More to be determined

Meetings subject to change—please confirm meeting times and dates on the city website
