TREE RETENTION COMMENT CARD

Please provide your concerns, questions and/or comments for consideration as part of the tree retention regulations. You may also e-mail the City of Sammamish at TreeRetention@samiamish.us and subscribe to the e-mail alert sign-ups on the City’s home page www.sammamish.us to receive updates on the process. Your comments and participation is greatly appreciated! The input received will assist in preparing information for presentation to the Planning Commission and City Council later this year.

Keep trees in lakes District around parks - Sparrow Eagle, Beaver Lake Park, Beaver Lake Reservoir, Finn Lake area and so on. Keep trees in corridors associated with 10-mi Emerald Necklace trail and “Opales” running from next to the higher density city center, Pat Moenken in higher density area. Visions among town center, plant more trees.
