**Event Opportunities**

**Sponsor**
No matter what your business or budget, there is a sponsorship opportunity that will help promote your business while also building stronger community connections. The City of Sammamish hosts 20 events annually with approximately 28,000 in attendance. These events are advertised through the City newsletter and website, Park Department, Recreation Guide and Facebook page, Sammamish-based newspapers and event posters. When you sponsor a City of Sammamish event, you have direct access to event attendees and through media coverage and event marketing efforts, this reach goes up astronomically.

**Vendor**
Food and product vendors are a vital piece of multiple summer events. Our events not only offer a great opportunity to sell items but also allow for a way to market your business and connect with area citizens. For more information or to apply, contact Joanna Martin at jmartin@sammamish.us.

**Volunteer**
Our events are successful thanks to the support of numerous volunteers. Individuals, families and organizations are needed and serve a vital role in creating a fun and safe environment for event attendees. For more information or to sign up, contact Elby Jones at ejones@sammamish.us.

Sammanish Walks
Please join us for the seventh year of the Sammanish Walks series. We plan to include some favorites, such as the Hazel Wolf Preserve walk and the Pine Lake history walk, as well as two children’s walks. Held from May through October, most walks start at 10:00 AM on the third Saturday of the month and last for about two hours. Walk leaders include wildlife experts, naturalists, photographers and parks commissioners, all of whom are enthusiastic about our regional parks and trails. Bring your camera and your binoculars, but please leave your dog at home, as walks focus on plants and wildlife. Space is limited and registration is required. For additional information, including trail maps and registration instructions, go to www.sammamishwalks.org.

Special Arts Sammamish: Au-Some Artist
This event provides an opportunity for students with special needs to experience becoming “au-some artists” by interacting with local teen volunteer mentors. Together, the students will express their creativity through several mediums including print making, music, weaving and theater. This event is especially geared for students on the Autism spectrum, but students with other special needs are also welcome. For information and registration, contact Allison at agubata@sammamish.us.

Wilderness Survivor Youth Day Camp
This three-day “survivor camp” will give your kids the skills they need to survive being lost in the wild, while having a GREAT time learning. Each day will focus on action packed and fun learning, and will teach important outdoor skills. The class is not only fun, but also challenging, and will help to develop self-confidence, team building, and leadership skills. Each student should bring a sack lunch, snacks, water bottle and sunscreen each day. Class size must be small so register early! Parents welcome to attend with child. Map and Compass Introduction
Have you ever been lost? Have your GPS batteries ever died? Have you ever wanted to make a secret treasure map to hide (and find!) something? If you said “yes” to any of these questions, this class might be for you! No matter what a person does in the outdoors, he or she will need to know something about maps and compasses. Moreover, the knowledge of rudimentary way finding techniques is important and useful in daily living (even in the city). This fun class will help you see a flat map in three dimensions, and learn how to use a compass to navigate. The class will culminate with a fun orienteering scavenger hunt in the park. All equipment will be provided.

Wilderness First Aid
Wilderness First Aid (WFA) is an essential skill for outdoor enthusiasts and anyone who spends time in remote environments. This course teaches advanced skills to be used in outdoor emergencies when help from a professional responder is not quickly available. Classroom teaching is combined with hands-on outdoor scenarios. At the end of this training you will have the knowledge, skills, and ability to make sound decisions in any outdoor emergency. Completion results in a 2-year WFA certification granted by the American Health and Safety Institute (ASHI), which meets the Boy Scouts of America Wilderness First Aid curriculum and guidelines. For more information or to register, evergreensurvival@gmail.com or go to www.evergreensurvival.com

Lost Proofing Your Child
This class will help you, as parent or care-taker, to “lost-proof” your child. You will learn what steps to take should your child ever become lost, and how you can teach your child simple but critical actions that can help them get found. Discussion will cover many scenarios, including shopping malls, public events and outdoor trips. You will learn the reasons children wander off, and how to teach them safe behavior and ground rules to keep them safe.
